Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner suggested applicant to incorporate the limitation of claim 51 into claims 1, 16, 27, and 38 in order to place the application in condition for allowance. Applicant's representative agreed to authorize examiner to incorporate the subject matter of claim 51 (i.e., wherein the health engine subsystem comprises task execution logic for enforcing mutual exclusion rules regarding execution of tasks by a consumer of corrective action to be taken to improve the personal computer health, and wherein the client user interface subsystem reports to the end-user corrective action for improving the health of the personal computer, and wherein enforcing the mutual exclusion rules comprises determining that two tasks cannot be performed simultaneously and while displaying the tasks to the end-user of the personal computer, disabling execution of one of the tasks in a client interface displayed to the end-user) into claim 1, 16, 27, and 38, and cancel claims 4, 19, 30, 41, and 51 in Examiner's amendment.
